

In the children's own words

Describe Krishna:

- Krishna is a little boy
- Krishna is naughty because he steals butter
- Krishna steals butter because he is naughty
- Krishna is blue in color
- Krishna wears a peacock feather in his hair
- He plays the flute
- He wears a tilak
- He never forgets anyone
- His career goal is to kill demons (yes, they used the word career goal.)
- He protects his people from demons
- He is very strong (he picked up a mountain on his pinky and killed all those demons)

Who is Krishna?

- He is a little boy
- He is a blue god
- Since he killed demons, he must be a form of Shiva (with Lord Shiva being the destroyer.)

Krishna is an avatar but there was some confusion on whether he is an earth bender or a water bender. It seems that our kids are fans of "Avatar the last airbender".
